REMARKS

This case has been reviewed and analyzed in view of the Official Action dated 05/20/2003. The Official Action is a Restriction Requirement where the Examiner has required identification of what the Examiner believes to be patentably distinct classes which includes one class listed in claims 1 and 2, and the other class listed in claim 3.

Applicant, after reviewing the Restriction Requirement, hereby elects the single disclosed classes listed in claim 1 and 2 for further prosecution in this case. It is believed that Claims 1 and 2 are readable and thus by this Response, Applicant elects Claims 1 and 2 for further prosecution in this application. That is, the device claims 1 and 2 are retained for prosecution and the method claim 3 is cancelled.

It is now believed that the subject patent application has been placed in condition for examination and such action is respectfully requested.

Respectfully submitted.
